Class-leading output, weatherproof construction, and the simplest installation in the industry - Lumitec's Halo Flush Mount Down Lights stand apart from the crowd. With a shallow-depth profile (less than 1/2" mounting depth) and a secure composite mounting system the lights are ideal for salons and staterooms, as well as helm stations, flybridges and hard tops. Fully sealed and IP67 compliant. Intelligent circuitry enables advanced features like dimming and multi-color control without external control modules, specialized switches, or additional wire runs. Choose white or brushed.
